

vehicle graphics

Let Your Vehicles Do Your Advertising Leg Work For You

Vehicle graphics are a powerful advertising medium, transforming cars, vans and even Lorries with the addition of colourful graphics. At Pineapple we offer a complete design service, we have thousands of vehicles on file and are able to produce images of how the vehicle will look at every stage.

From vehicle outline drawing to the virtual model we give you the opportunity to view how the vehicle will look on the road ahead of the graphics being applied.

For more information contact your BDM / Key Account Manager.
