Online Presence

Whether your business is new to the web or you already have an existing website Pineapple can maximise the quality of your online presence. Web Design is about much more than just creating a design that is fresh and appealing. Any web site that is to become successful as a sales and marketing tool needs to be intuitive and easy to use for both first time and repeat users.

Pineapple can offer a variety of packages ranging from a basic 4 page web presence through to dynamic ecommerce sites. Listed below are some guideline options to give you an idea of our website design pricing and what we can do to help you maximise your web presence.

For more information contact your BDM / Key Account Manager.
